GENERAL MISCELLANEOUS
8 FEB. 1929
Jn 6057

To

The General Secretary to the Government-
of Mysore, B a n g a l o r e.

Pri 64-28-

Sir,

I have the honor to forward herewith for favour of your perusal copy of letter No.195/F.3. dated 4th Feb.1929, received from the Superintendent, Bangalore Central Jail in connection with the supply of bedding and covering to prisoners in the jai and to state that the present practice i. the jails and lockups the State is that each person prisoner is given a woollen half-- Kambli for bedding and a full kambli for covering. The Superin tendent has now recommended the issue of rugs made of jute yarn in place of woollen kamblies on he analogy of the practice in - vogue in some of the jails of the Madras Presidency.

As the issue of jute rugs to prisoners in the jails and Lockups will be cheaper in the long run and afford greater comfo to prisoners besides being more durable than woollen kamblies, I request that sanction of Government may kindly be obtained for this change and the Superintendent of the jail be permitted to - purchase the jute yarn required for the manufacture of rugs dire from the mills.

I have the honor to be,

Sir,

Your most obedient servant,

S. Subbarao

Letter No.195/F.B dated 4th February 1929, fromt the Superintendent, Central Jail, Bangalore, to the Inspector General of Prisons in Mysore, Bangalore.

I have the honor to state that we have been supplying each prisoner one half and one full woollen kamblies, once in two years, for bedding and covering respectively. The cost of these amount to Rs.6-9-0 excluding labour. Having learnt that the jails of the Madras Presidency had introduced jute carpets for prisoners bedding, I got a sample, forwarded herewith from the Vizagapatam Central Jail, where they are manufactured. The Superintendent of the said Jail intimates in his No.1943 dated 26-7-28 that the cost of a jute carpet measuring 8'x2'-6' which is a foot longer than our half kamblies, is Rs.1-1-5 excluding labour.

On receipt of this sample, I got one made in our Jail with the Jute locally available and supplied by the contractor at 4 anns a pound, while the rate quoted by the Vizagapatam jail is 3 annas 4 pies per Pound The local jute being too thick and rough, the carpet made thereof could not be so soft and light as the one received from Vizagapatam. The cost of our jail made carpet worked out at Rs.1-8-0 excluding labour. This would work out at Rs.1.14.0 each according to the current year's contract rate which is 5 annas per pound. The locally available yarn is quite unfit for making jute mats.

Regarding the quantity of labour to be employed for making jute carpets, I may at once state that with one third of the labour we are employing for making half kamblies, we could manufacture and with less worry and trouble. Further jute carpets jute carpets seem to be more comfortable and durable than the woollen kamblies and not susceptable to the attack of moths.

Nellimarla Jute Mills, which are supplying jute yarn to the Vizagapatam jail, have written to me stating that they would supply good yarn (sample enclosed) at the same price they are supplying to the Vizagapatam Jail.

Including the incidental transmission charges, we could make jute carpets at Rs. 1-2-6 each. The introduction of jute carpets in place of kamblies is therefore highly desirable and

of their being very much less costly and giving greater comfort, besides being more durable.

In these circumstances, I request that very early sanction of Government may kindly be obtained for the introduction of jute mats in place of woollen half kamblies and the purchase of jute yarn direct from the mills

The marginally noted samples articles are enclosed for inspection.

One jute mat made in the Vizagapatam Central Jail.

One jute mat made in the Bangalore -Central Jail.

Sample jute yarn of the Nellimarla Jute Mills.

Sample jute yarn locally available and supplied by the contractor.

739

From,

The Inspector-General of Prisons
in Mysore, Bangalore.

To,

Pris 67-28-5

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to the second para of G.O. No.G.1152-3/Pris.67-28-4 dated 15th March 1930, requesting to report at the end of a year as to how the new system of issuing Jute rugs to prisoners for bedding in place of Woollen cumblies has worked , I have the honour to forward herewith a copy of letter No. 722/F.13 dated 19th April 1930, received from the Superintendent, Central Jail, Bangalore, on the subject and to state that as it would be seen from the Superintendent's report the substitution of Jute mats in place of wollen cumblis would, while serving the same purpose, be a great saving to Government, and hence the temporary arrangement sanctioned for the issuing of jute mats may be made permanent.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Inspector-General of Prisons.

Letter No. 722/F.13 dated 19th April 1930, from the Superintendent, Central Jail, Bangalore, to the Inspector-General of Prisons in Mysore, Bangalore.

-@-@-@-@-@-@-@-

With reference to para 2 of Government Order No. G. 11521-3/Pris.67-28-4 dated the 15th March 1929 copy of whic was sent to this office with your memo No. C. 443-7 dated the 20th March 1929, calling for a report on the working of the issue of jute mats to prisoners in lieu of half cumblie I have the honour to state that during the year under repor 194 Jute mats were supplied for the use of prisoners in thi Jail and in the Lock-ups of the State, The actual cost o these mats amount to Rs.224-5-0 at Rs. 1-2-6 per mat excludin the cost of labour and supervision charges in as much as these charges are not levied for articles made for Jail use under Rule. 851 (1) of the Mysore Jail Manual. If half cumblies had been supplied the cost of 194 cumblies would have been Rs. 424-6-0 at Rs.2-3-0 per cumbly. Thus we have saved a sum of Rs. 220-1-0 by sypplying jute mats in lieu of half cumblies. As I have already reported in this office No. 195/F.13 dated 4th February 1929 labour employed in manufacturing the Jute mats is far less and the mats are no only more comfortable but also durable. Under these circu stances I request that the arrangement of issuing Jute mats which was sanctioned tentatively in the Government order referred to above may be made permanent.
